

WASHINGTON STATE CERTIFIED BACKFLOW ASSEMBLY TESTERS

The following list sets forth Backflow Assembly Testers, certified by the State of Washington Department of Health, working in the region and provided to Lake Chelan Reclamation District ("District") by the Department of Health. The customer is responsible for the investigation of the qualifications of the individual backflow assembly testers listed and for entering into any testing and inspection agreement in order to comply with the District's cross connection control regulations.

The District takes no position in regard to recommendation or endorsement of those listed.
